

Trust is what we do.

SSL.com Pre-Validation Agreement Acknowledgement and Acceptance

This document signifies acknowledgement and acceptance of the **SSL.com Pre-Validation Agreement ("Agreement")** made between SSL.com and _____ ("Company").

I _____ have received, read and agree to the content, requirements, and expectations of this Agreement and consent to abide by the guidelines as a condition of using the service described therein, and I acknowledge that I am authorized to sign this agreement on behalf of the Company.

As part of and as described in this Agreement, I hereby appoint the following individual as Pre-Validation Agreement Administrator for the Company:

Name: _____

Email: _____

Phone: _____

I acknowledge that the Pre-Validation Agreement Administrator designated above is required to observe all terms of the Agreement and shall serve in the role of Pre-Validation Agreement Administrator until formal notification is made to SSL.com otherwise. I affirm that the contact information provided is correct, and I understand that SSL.com may use the above contact information to confirm any requests, reporting and/or documentation of the service provided by SSL.com to the Company.

If provisioning S/MIME certificates, I affirm that Company maintains legal and/or authorized managerial control of the following domains and that both Company and signatory are authorized to issue email encryption / email signing certificates for any emails containing the domain extensions listed below. I understand that I and company may be asked to demonstrate control over the emails associated with the domains below at any point, including before implementing this Pre-Validation Agreement or at any time during compliance auditing periods.

Domains to be validated (please separate with a comma):

3100 Richmond Ave. Suite 405
Houston, TX 77098
Phone: +1-775-237-8434
Fax: 832 201 7706
Email: sales@ssl.com

Trust is what we do.

I understand that if I have questions, at any time, regarding this Agreement, I may contact sales@ssl.com using the email address provided below.
